

Technical drawing of a welded connection between two steel plates. The drawing shows two vertical plates, each 50mm thick, connected by a horizontal weld. The weld is labeled "SOLDA". The plates are labeled "CHAPA DE AÇO CARBONO 1020 e= 5/16" (7,9mm)". The overall width of the assembly is 170mm. The distance between the centerlines of the plates is 150mm. The weld is a fillet weld, and the plates are bent at the top and bottom.
